

Friday 29 June 2018

Assemblies: On Friday 22 June **Litton and Chesil** had a super assembly based on 'The Very Hungry Caterpillar' which left the audience smiling! They were so confident and spoke and sang beautifully.

On Tuesday we had an assembly by Richard Bradford, a Crowdfunder campaigner who helped to publish and deliver '**The Lost Worlds**' to every school in Dorset. This beautifully illustrated book is about wildlife and nature.

On Friday 29 June we had a special **strings concert** in which several children playing violin, cello, guitar and ukulele took part. They performed confidently and to the enjoyment of staff and children.

Sport: On Friday 22 June our girls' team played at the Cricket County Finals in Bryanston. They were placed within the first 12 which is wonderful, given that there are more than 150 schools in Dorset, Poole and Bournemouth!

Transition session: On Thursday 28 June, Year 6 went to Colfox and the other children went to their next classes/year groups. Mrs Smith and Mrs Biggins taught their new classes for this session.

Parent questionnaire: We received 32 responses, well up from two years back when we had 6! The collated results and the school's response have been emailed to you.

Visits: On Wednesday 27 June Litton and Chesil visited Corfe Castle as part of their History topic. They had a great time.

Photo Consent: Don't forget to return the photo consent forms recently sent out please.

Collecting children: Please can we remind you to pick your children up at the end of the school day promptly at 3.30pm

TSA news:

The children continue to enjoy ice lollies, sometimes twice a week!

The **TSA Disco** on Friday 15 June was a huge success.

Yours sincerely
Jyotsna Chaffey
