

Thorner's Church of England VA Primary School Assembly Themes, Spring 2nd half 2016

Humility

Throughout this half term we are reflecting on the value of Humility. We will remind children what a value is and ask them to share examples of humility that they have seen.

Some questions we will consider:

- In what ways do we encourage all members of the school community to serve one another?
- How do we encourage pupils to be empathetic and sympathetic to the experiences of others?
- How do we create an ethos in which children and adults are confident to ask for help and to receive help from others?
