

Thorner's Church of England VA Primary School Assembly Themes, Summer 1st half 2016

Service

Throughout this half term we are reflecting on the value of Service. We will remind children what a value is and ask them to share examples of service that they have seen.

Some questions we will consider:

- How are pupils encouraged to serve one another?
- How are acts of service encouraged in school?
- Are school members active in service in the wider community?
- Which areas of the curriculum enable the children to consider the importance of service?
- Numerous adults serve the school community behind the scenes. Are the children aware of who they are and what they do?
- How do children show their appreciation and gratitude to those who serve them?
