

Thorner's Church of England VA Primary School Assembly Themes, Summer 2nd half 2017

Respect and Reverence

Throughout this half term we are reflecting on the value of Respect and reverence. We will remind children what a value is and ask them to share examples of respect and reverence that they have seen. *(If the weather is suitable we will take the opportunity to do some of these assemblies in the Discovery Area.)*

Some questions we will consider:

- How are pupils given the opportunity in school to experience feelings of awe, wonder and mystery?
- Are there places and objects around the school that are considered 'holy or sacred', which help children to reflect and wonder at the nature of God?
- What special words, sacramental actions or religious symbols are used to challenge and inform children's understanding of God?
- How do children show their respect for each other and adults in the school community?
- How are children encouraged to value and respect their own and other people's belongings?
- How do policies and practices in the school engender respect for all members of the school community?
